

Session 9 - Pentecost Craft

1. **Make a windsock.** Cut out the dove and stick it on a piece of red, orange or yellow card (or attach flame shapes). Curl the card round to make a tube and sellotape it. Add some strips of crepe paper or ribbons on the bottom. Attach a piece of string, wool or ribbon at the top to hang or hold your windsock.
2. **Make a dove/flame prayer.** Colour in the dove in red, orange and yellow. When you turn the dove on it's side it looks like a flame. Write a prayer on the back asking God for his power.
