

Samuel – Pray

Have a chat about the different ways we can hear from God:

- Through the Bible
- Through other people
- Words God puts in our mind
- Pictures God gives us in our mind
- Audible voice (like Samuel)
- Feeling in our heart
- Through nature
- Other ways...

Every go and lie down on their own bed like Samuel did and ask God to speak to you ('Speak Lord, your servant is listening'). You might like to set a time limit so the grown ups don't fall asleep!

Come back together and talk about what you heard/felt. It's OK if you didn't hear or feel anything.
