

Saul & David – Create

Create a memory book for lockdown. In a years time, when this is all over, what do you want to look back and remember.

Maybe you could put your feelings in it, or the way you used your exercise time, or the silly games you played, or the movies you watched. Or maybe you've made some strange meals out of the food in your cupboard. What have been your favourite songs during this time? What are your favourite Bible verses?
