1. Cut the six places indicated on the tent. Cut in from the edge about 1 inch.

2. Cut out the picture from page 1 (Isaac blessing Jacob) and tape it inside the tent as shown.

### Alternative plans:

- Cut out one side of the tent to reveal more of the inside.
- Print on heavy paper to give the tent more strength.

3. Fold the tent on the lines to form a roof peak, walls and doors as picture below.

4. Tape the doors and roof peak. You may need to trim some of the edges of the roof peak.

5. Fold the front doors of the tent to form triangle flaps in order to see inside.
