

Samuel – Share

Samuel lived in the temple with Eli the priest. His mum and dad lived a long way away and he couldn't see them. At the moment many of us are missing grandparents and other relatives.

Make a video for someone you are missing. Fill it with stories of things you love about that person and why you're missing them. Maybe you could do a dance or play an instrument or sing a song for them.

Send them the video. It's nice to make video calls but this video you've made will be very precious to them and they can watch it when they are feeling really sad or missing you lots too.
